HAAS Carrier Page

HealthMarkets Appointment Application System (HAAS)

HAAS Carrier Page

If you are a new agent who has never been appointed with a carrier through HealthMarkets, the carriers that display are those that your Territory Vice President encourages you to appoint with. Once you are appointed with at least one carrier, those carriers in the state(s) that you are licensed to sell in will display. If you have questions regarding the list of available carriers, please contact Field Support at 888-731-4447.

Agents who are already appointed with a carrier and would like to add additional state(s) to their existing carrier appointment, STOP. Please send a request to your sales assistant. DO NOT submit a new carrier appointment request in HAAS.

Once you have selected the carrier and state(s) you wish to be appointed with, click the “Add” button to populate below. You must click on the “Proceed” button under Option to continue and submit your carrier appointment request. If you do not click the “Proceed” button, your request has not been processed.
